# Watershed Week in Review

Llano River Watershed Alliance

Join us December 1st

Thanksgiving  
Holiday Wishes

Join the Alliance Board at 4:30 pm on Thursday December 1<sup>st</sup> at Flat Rock Crossing to help with our Adopt-A-Highway Stretch. Bring some gloves and a sense of camaraderie.

Afterwards, join us at Paddler's Porch for the monthly Alliance Board Meeting.

The Llano River Watershed Alliance Board of Directors wishes all members and sponsors a peaceful Thanksgiving. We are grateful for your continued support.

Watershed Week in Review will resume publication December 3rd.

## What the winter is forecast to bring

A weak La Nina is predicted for the Pacific this winter. What does this mean for us?

Meteorologist Bob Rose.

## Bacteria in you well...what it means...what to do about it...

 **Bacteria in Wells: An Overview**

Our friends at the Sutton County Underground Water Conservation District have a new webpage devoted to [Bacteria in Private Wells](#).

Private water wells should be tested on a regular basis. All of our local groundwater districts offer testing for a nominal fee.

In addition, the recently approved Watershed Protection Plan will bring [Texas Well Owner Network](#) trainings to the area in the not too distant future.

Stay tuned.
